

UNIVERSITY OF MINNESOTA

School of Dentistry

Driven to Discover<sup>SM</sup>

# 2015 Donors

*Dear Friends,*

You made our year! Thanks to your generous support, 2015 has been a year of remarkable accomplishments at the School of Dentistry. In the examples highlighted below, you'll see a small sampling of how your generosity touches the lives of our students, faculty and staff, and the patients we serve every day. **Thank you.**

Our wonderful friends at Delta Dental of Minnesota Foundation awarded a grant to support the Native American Community Clinic's initiative to expand and improve dental care for children. They also generously supported the development of a first-in-the-nation program to integrate dental care with nursing primary care at the University of Minnesota Health Nurse Practitioners Clinic.

A special thanks to our 79 *Dean's Circle* members who made a gift of \$1,000 or more to the Dentistry Fund for Achievement, Dental Hygiene Fund or 125<sup>th</sup> Anniversary Fund. Since its inception in 2010, the *Dean's Circle* has eased the cost of tuition for many outstanding students, enhanced our technology and facilities, and engaged and connected alumni.

Finally, thank you to those who are creating a lasting legacy by including the School of Dentistry in their estate plans. These gifts help ensure that future generations of students will receive an exemplary education that prepares them to meet the dental needs of our communities of tomorrow.

Thank you for your incredible show of support for the School of Dentistry in 2015. Because of you, we look to the future with confidence.

Sincerely,

A handwritten signature in cursive script that reads "Leon A. Assael".

LEON A. ASSAEL, D.M.D.

Dean

Professor, Department of Developmental and Surgical Sciences
