Summary & Questions

12:15

Adjourn

Meet Our Expert

Luis F. Delima, DDS, prosthodontist; Clinical Associate Professor, Division of Prosthodontics, Department of Restorative Dentistry, University of Minnesota School of Dentistry.

Dr. Luis Delima was born in Denver, Colorado and raised in Caracas, Venezuela where he obtained his dental degree at the Universidad Central de Venezuela Facultad de Odontologia (DDS Equivalent). Since the beginning of his dental career, he has been involved in multiple voluntary dental and medical missions in Venezuela and in the United States. He obtained a residency certificate in Oral Health Services for Older Adults Program and Prosthodontics at the University of Minnesota School of Dentistry. He began his career in academics joining the Division of Prosthodontics as an Adjunct Faculty

in 2012 and later became Assistant Professor in January 2013. His contributions to charity include volunteering in Operation Smile, Grupo Kumi, Special Olympics, Give Kids a Smile and Minnesota Mission of Mercy. He is the Director of the Occlusion course for the D2 students. Dr. Delima serves the public as an Associate in Prosthodontics Associates in Roseville, Minnesota.

Disclosure Summary

It is the policy of the University of Minnesota Office of Continuing Dental Education to ensure balance, independence, objectivity and scientific rigor in all of its sponsored educational activities. All participating speakers, course directors, and planning committee members are required to disclose to the program audience any financial relationships related to the subject matter of this program. Relationships of spouse/partner with proprietary entities producing health care goods or services should be disclosed if they are of a nature that may influence the objectivity of the individual in a position to control the content of the CDE activity. Disclosure information is reviewed in advance in order to manage and resolve any possible conflicts of interest. Specific disclosure information for each speaker, course director, and planning committee member will be shared with the audience prior to the speaker's presentation.

Continuing Dental Education Staff members have nothing to disclose.

The following information was received from our speakers for this course. It is not assumed these financial interests or affiliations will have an adverse impact on course presentations. They simply are noted here to fully inform course participants.

Luis F. Delima, DDS
Delim002@umn.edu

Indicated no relevant affiliations or financial interests. Speaker does not intend to discuss an off-label/investigative use of a commercial product/device.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
