

SCHOOL OF DENTISTRY

UNIVERSITY OF MINNESOTA

Driven to Discover®

# 2017 Donors

Dear Friends,

**T**hank you for investing in the School of Dentistry in 2017! You are a valued partner in the work we do to educate dental professionals, conduct transformative research and to serve our communities. Your support is critical to our success and our school is profoundly grateful for your contributions.

Thank you, too, to the corporate donors who generously gave in-kind gifts in 2017. These gifts provide supplies and equipment that enhance our students' learning experience and enable us to better serve our patients.

For the second year in a row, *Give to the Max Day* was an extraordinary success for our school! On November 16th, a record amount of \$16,183 was raised. This included a \$5,000 matching gift to the Dentistry Fund for Achievement. Gifts received on this day of giving, and every day, support important initiatives including student scholarships, community outreach programs, research, and technology.

Since 2010, members of the *Dean's Circle* have taken a leadership role in supporting our school. I am deeply grateful for the 75 *Dean's Circle* members who partnered with us in 2017. Your gifts support the entire School of Dentistry. Your collaboration enables us to remain steadfast in our commitment to education, research and service.

We are honored to recognize everyone who supported our school in 2017. Because of you, we look to 2018 and beyond with great confidence!

Gary C. Anderson, D.D.S., M.S.  
Interim Dean  
Associate Professor
