

SCHOOL OF DENTISTRY

UNIVERSITY OF MINNESOTA

YOUR GIVING MATTERS

2019 DONORS

Dear Friends,

2019 WAS A YEAR OF ABUNDANT OPPORTUNITY for the School of Dentistry. My sincere thanks to you for generously contributing nearly \$1.3 million. Your investment in our school supports many initiatives, including our Dentistry *Driven* Campaign priorities: increasing student support, advancing research, and digital dentistry.

126 students received \$524,471 in scholarships in academic year 2018-19. Increasing scholarships for our students is a top priority given its impact on student debt. This is a tangible demonstration that we will support the next generation of dental providers and “pay it forward.”

The 50th Anniversary of the Graduate Program in Oral Biology was celebrated at the annual Charles Schachtele Memorial Symposium in Oral Biology in September. Dental Hygiene alumni and friends gathered at the McNamara Alumni Center in October for an evening that honored the Dental Hygiene Program’s 100th anniversary. Thank you to those who attended the celebrations and supported these tremendous milestones in our school’s history.

Your generosity was in full swing on November 14, *Give to the Max Day*. With a match donation from Dr. George Kinney and his wife, Julie, a record amount of \$19,150 was raised for the Dentistry Fund for Achievement. This fund receives significant support from our *Dean’s Circle* members. A special thank you to the 82 *Dean’s Circle* members who generously gave to the Dentistry Fund for Achievement in 2019. Every year I serve as Dean my appreciation grows for the value of this fund to the School of Dentistry.

I am humbled by and grateful for your contributions to our School. I ask for your continued support through your giving and participation in Alumni Weekend.

Thank you for all that you do for the School of Dentistry!

Sincerely,

Gary C. Anderson, D.D.S., M.S.

Dean
Professor
