

SCHOOL OF DENTISTRY

UNIVERSITY OF MINNESOTA

# YOUR GIVING MATTERS

## 2020 Donors

Dear Friends,

**Masks. Social distancing. Virtual learning. Uncertainty.** 2020 has been a challenging year for everyone and it has greatly impacted the dental community. Despite the obstacles, 2020 has illuminated the School of Dentistry's remarkable supporters who've helped in big and small ways. I began my appointment as interim dean in May and I cannot express how grateful I am to you for helping me and our school meet the challenges of this moment. Your contribution of nearly \$2.5 million during a time unlike any other in our history is truly extraordinary.

Your support was a shining example on November 19, *Give to the Max Day*. 10 members of the DDS Class of 1980 joined together to match all gifts to the Dentistry Fund for Achievement up to \$10,000. Donors gave to the max and raised \$34,500 for this record-breaking online day of giving!

To those who renewed their membership or joined the *Dean's Circle* for the first time, thank you. Your gift affirms your steadfast commitment to the School of Dentistry. You help us fulfill our mission of educating the finest students, serving our patients, and driving research discoveries. It's been 11 years since the inception of the *Dean's Circle* and it's become stronger and more impactful with each passing year.

I am proud to share a few highlights from 2020 that are the result of donors' generosity:

- 124 students received \$447,419 in scholarships and awards in academic year 2019-20.
- Donning their caps and gowns, students attended a virtual graduation ceremony.
- Our clinics operated safely within new standards to provide care to patients.
- Emergency funding was provided to students who experienced unique situations and otherwise may have had a significant disruption to their education.

Thank you for investing in the School of Dentistry! I am humbled by and deeply grateful for your contributions. As you are able, I ask for your continued support as we navigate the months ahead. Your support will assure a strong future for our school.

I wish you good health and I look forward to the day when we can connect in person.

With gratitude,

**Keith A. Mays, DDS, MS, PhD**  
Interim Dean
