

SCHOOL OF DENTISTRY

UNIVERSITY OF MINNESOTA

Driven to Discover<sup>SM</sup>

# 2016 Donors

*Dear Friends,*

**Thank you!** As Interim Dean, I am truly honored for this opportunity to give thanks to you, our donors. The School of Dentistry greatly benefited from your tremendous generosity in 2016.

Several corporate donors contributed much-needed equipment and supplies to the school. These generous offerings enhance our ability to serve our students, patients and community.

Two members of the D.D.S. class of 2002 established an endowed scholarship fund to honor their classmate, colleague and friend, Dr. Bret Landis Betterman, who passed away in 2016. "Bret was a special person to many people and we want his name and what he stood for to live on."

Give to the Max Day on November 17th was an extraordinary success for our school. On this record-setting day, \$14,865 was raised, an amount that included a \$5,000 matching gift to the Dentistry Fund for Achievement. Gifts received on this day of giving, and every day, have a profound and immediate impact on vital initiatives including student scholarships, community outreach programs, research, and leading-edge technology.

Thank you to our 70 Dean's Circle members for your partnership with our school. Your gifts of \$1,000 or more to the Dentistry Fund for Achievement, Dental Hygiene Fund or the 125th Anniversary Fund enable us to continue to lessen student debt, enhance technology and facilities, and engage alumni. To learn more, contact Ms. Nicki Black at [black842@umn.edu](mailto:black842@umn.edu) or 612-301-6663.

Finally, I am deeply grateful to those who have included the School of Dentistry in their estate plans. You are making an investment in the future of dental education that will have a positive impact on the citizens of Minnesota and beyond.

Thank you for believing in and investing in the School of Dentistry in 2016. I hope you will join me and renew your commitment in 2017.

Sincerely,

Gary C. Anderson, D.D.S., M.S.  
Interim Dean, Associate Professor
