Meet Our Experts

Robert A. Nadeau, DDS, MD, Clinical Director and Clinical Assistant Professor, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Oral and Maxillofacial Surgery. Dr. Nadeau is a highly sought-after surgeon, clinical educator and continuing education presenter and a member of the American Dental Society of Anesthesia.

Angela Rake, DDS, Adjunct Associate Professor, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Oral and Maxillofacial Surgery. Dr. Rake joined Dakota Valley Oral and Maxillofacial Surgery in 2002 after having completed her advanced training at the University of Minnesota and Minneapolis Veterans Affairs Medical Center. Dr. Rake advances the profession with her commitment to national and statewide boards and associations.

Harold K. Tu, MD, DMD, Associate Professor and Director, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Oral and Maxillofacial Surgery. Dr. Tu has lead countless research programs related to pain management, mandibular fractures, temporomandibular joints, and surgical innovations. He was appointed to the new, federal Pain Management Best Practices Inter-Agency Task Force. Formed by the US Department of Health and Human Services, the task force is charged with proposing updates to best practices and recommending solutions to gaps or inconsistencies in managing chronic and acute pain.

Rachel Uppgaard, DDS, Adjunct Clinical Assistant Professor, Division of Oral and Maxillofacial Surgery, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry. Dr. Uppgaard is a member of the American Dental Association and the American Association of Oral and Maxillofacial Surgery. She is an active volunteer within the community and provides care to patients at Woodbury Smiles Dentistry. Dr. Uppgaard received her Bachelor of Arts, dental degree, and completed her residency in Oral and Maxillofacial Surgery at the University of Minnesota.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution.

Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/CCERP.
