Meet Our Expert

John Alonge, DDS, MS, is a practicing oral and maxillofacial surgeon in Erie, PA. Dr. Alonge graduated from the University of Maryland, Baltimore College of Dental Surgery in 1983 and has been in practice for 34 years. He currently practices at Oral Surgery of Erie, PC, and is affiliated with Saint Vincent Hospital and UPMC Hamot Medical Center. Dr. Alonge has extensive experience in all subspecialty areas such as dentoalveolar surgery, dental implants, corrective jaw and facial surgery, and has an affinity for the management of anxious patients.
The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
