Gingival Displacement & Soft Tissue Management: A Training Program
Saturday morning, October 6, 2018
Program, Page 2

Meet Our Experts

Ranier M. Adarve, DMD, MS, MHPE, prosthodontist; Associate Professor, Division of Prosthodontics, Department of Restorative Dentistry, University of Minnesota School of Dentistry. This course is under the direction of Dr. Adarve.

Heather J. Conrad, DMD, MS, FACP, FRCD(C), prosthodontist; Associate Professor and Director, Advanced Education, Division of Prosthodontics, Department of Restorative Dentistry, University of Minnesota School of Dentistry.

Luis F. Delima, DDS, FACP, prosthodontist; Clinical Assistant Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota School of Dentistry.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
