Orthodontic & Periodontal Esthetics
Postgraduate Program in Contemporary & Esthetic Dentistry: Level III
Wednesday-Saturday, October 17-20, 2018

Wednesday, October 17, 2018
Lynda J. Young Conference Room • 6-410 Moos HS Tower

7:30 Final registration and assembly. Continental breakfast.

8:00 Lecture Dr. Gerald Samson
Identifying simple and complex anterior esthetic orthodontic cases:
what you will enjoy and which cases to refer
Gathering high-quality orthodontic records

9:45 Refreshment break

10:00 Lab Dr. Samson
Working in small groups you will discuss diagnosis, prognosis and
treatment design of specific cases

12:15 Lunch

1:00 Lecture Dr. Samson
Importance of orthodontic band and bracket placement

2:30 Refreshment break

2:45 Lab Dr. Samson
Hands-on participation orthodontic mechanics exercises

5:15 Adjourn

Thursday, October 18, 2018
Lynda J. Young Conference Room • 6-410 Moos HS Tower

7:30 Continental breakfast.

8:00 Lecture Dr. Samson
Basic use of orthodontic force systems
Basic orthodontic troubleshooting—the importance of accurate
treatment response and communication with an orthodontic
specialist

9:45 Refreshment break
Orthodontic & Periodontal Esthetics
Postgraduate Program in Contemporary & Esthetic Dentistry: Level III
Wednesday-Saturday, October 17-20, 2018
Program, Page 2

10:00  Lecture  Dr. Samson
Anterior dental esthetic orthodontic detailing, finishing and retainer design

11:30  Questions and answer session  Dr. Samson

12:00  Lunch

12:30  Lecture  Dr. Scott Arbit
An effective minor tooth movement system for general practice

4th Floor Laboratory

1:30  Workshop  Dr. Arbit & Dr. Paul Olin
Demonstration and practice with minor tooth movement of anterior teeth utilizing the Raintree Essix clear aligner removable system

3:00  Refreshment break

Lynda J. Young Conference Room • 6-410 Moos HS Tower

3:15  Orthodontic Case Presentations  Dr. James Miller & Dr. Olin
An opportunity to present and discuss esthetic cases from practice with orthodontic considerations

5:00  Adjourn

Friday, October 19, 2018
Lynda J. Young Conference Room • 6-410 Moos HS Tower

7:30  Continental breakfast.

8:00  Lecture  Dr. Peter Nordland
Periodontal/oral plastic surgery
Predictable root coverage and papilla reconstruction

10:00  Refreshment break

10:15  Lecture  Dr. Nordland
Ridge augmentation
Creating the ovate pontic: step-by-step instruction

12:15  Lunch
Orthodontic & Periodontal Esthetics
Postgraduate Program in Contemporary & Esthetic Dentistry: Level III
Wednesday-Saturday, October 17-20, 2018
Program, Page 3

1:00  Lecture  Dr. Nordland
      Esthetic crown lengthening/sculpting
      Laser controversies

3:00  Refreshment break

3:15  Lecture  Dr. Nordland
      Esthetic implants
      Bone vs. soft tissue addition: when & where
      Step-by-step treatment coordination

4:30  Questions and answer session  Dr. Nordland

5:15  Adjourn

Saturday, October 20, 2018
Lynda J. Young Conference Room • 6-410 Moos HS Tower

7:30  Continental breakfast.

8:00  Lecture  Dr. Olin
      Construction of a surgical guide for periodontal surgery
      Esthetic crown lengthening with electrosurgery

9:15  Refreshment break

4th floor Laboratory

9:30  Workshops  Dr. Olin
      Demonstration and practice with construction of a surgical guide on models
      Demonstration and practice with electrosurgery on pig jaws

11:30  Lunch

Lynda J. Young Conference Room (6-410 Moos HS Tower)

12:15  Periodontal case presentations  Dr. Olin & Dr. Roger Ettel
      An opportunity to present and discuss esthetic cases from practice
      with periodontal considerations
2:30 Refreshment break

2:45 Periodontal case presentations (continued) Drs. Olin & Ettel

5:15 Adjourn

Meet Our Experts

Scott P. Arbit, DMD, MS, is a board-certified orthodontist in private practice in Milwaukee, Wisconsin. Dr. Arbit received his dental degree from the University of Pittsburgh School of Dental Medicine and a master’s degree in orthodontics from the University of Michigan. He has served as the president of the Wisconsin Society of Orthodontists and the Wisconsin Society of Dentistry for Children. Dr. Arbit currently serves as Director to the Midwest Society of Orthodontics. He has lectured on TMD and varied orthodontic topics.

Roger G. Ettel, DDS, MS, Clinical Associate Professor, Division of Periodontology, Department of Developmental and Surgical Sciences, School of Dentistry, University of Minnesota; consulting faculty, Hennepin County Medical Center. Dr. Ettel is currently in full-time practice limited to periodontology in White Bear Lake, Minnesota.

James Miller, DDS, MS, board certified (ABO) orthodontist, Advances in Orthodontics, Golden Valley, MN; Adjunct Clinical Associate Professor, Division of Orthodontics, University of Minnesota School of Dentistry. Dr. Miller founded the Faculty Practice at the University of Minnesota in 2006 which is a critical access provider clinic to an underserved patient population. He has given over 60 invited lecture presentations locally, regionally, and nationally and has authored original research in orthodontics, dentistry, social sciences, microbiology, and bone biology.

Paul S. Olin, DDS, MS, Associate Professor, Division of Prosthodontics; Interim Chair, Department of Restorative Sciences; Director, Dental Implant Program; University of Minnesota School of Dentistry. Dr. Olin maintains an active prosthodontic and esthetic dentistry practice in the faculty practice at the School of Dentistry. Dr. Olin is the Director of Postgraduate Programs in Contemporary Restorative & Esthetic Dentistry Levels I-III at the University of Minnesota School of Dentistry.

W. Peter Nordland, DMD, MS, Associate Professor of Periodontics, Loma Linda University; President and Co-founder of the International Society of Periodontal Plastic Surgeons. Dr. Nordland has developed this subspecialty and is considered an expert in the field of Oral Plastic Surgery. He has introduced many new surgical procedures and has developed his own microsurgical instrumentation. Dr. Nordland is also the Director of the Oral Microsurgical Residency Program at the Newport Coast Oral-Facial Institute. He has presented over 300 professional papers and lectures internationally. In addition, Dr. Nordland has authored or co-authored four textbooks, written chapters as well as several journal publications on Periodontal Plastic Surgery. Dr. Nordland is on the editorial review board for the International Journal of Periodontics and Restorative Dentistry and the Journal of Cosmetic Dentistry. He is in private practice limited to Periodontology in La Jolla, California.

Gerald S. Samson, DDS, Diplomate, American Board of Orthodontics and Fellow, American College of Dentists. Dr. Samson completed his pediatric dental residency at Emory University in 1979, and his orthodontic residency at Northwestern University in 1981. He has been in private orthodontic practice since that time. Dr. Samson holds formal appointments at seven universities in the United States and has been the featured speaker at numerous domestic and international meetings. In addition, he reviews scientific articles for The Angle Orthodontist on the subject of orthodontic mechanics.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
