Contemporary Removable Partial Dentures: A Lecture & Hands-on Program
Friday-Sunday, September 21-23, 2018

Lynda J. Young Conference Room • 6-410 Moos HS Tower

Friday, September 21, 2018
7:30 Final registration & continental breakfast
7:55 Welcome and Introduction
8:00 Lecture: Introduction to Removable Partial Dentures Dr. Tony Daher
9:00 Lecture: Principles of Survey and Design Dr. Daher
10:00 Refreshment break
10:15 Laboratory Exercise Drs. Daher & Olin
Set up the surveyor
Survey and design maxillary and mandibular casts for initial exercise
12:15 Luncheon
Patient discussion Drs. Daher & Olin
1:15 Lecture: Biomechanics of Removable Partial Dentures Dr. Daher
2:45 Refreshment break
3:00 Lecture: Diagnosis and Treatment Planning Removable Partial Dentures Dr. Daher
4:30 Lecture: Digital Technique for RPD Framework Design Dr. Olin
5:15 Adjourn

Saturday, September 22, 2018
7:30 Continental breakfast
8:00 Lecture: Major and Minor Connectors Dr. Daher
9:00 Lecture: Direct Retainers – Part I Dr. Daher
10:00 Refreshment break
Contemporary Removable Partial Dentures: A Lecture & Hands-on Program
September 21-23, 2018
Program, Page 2

10:15  Laboratory Exercise
       Design maxillary and mandibular casts
       Drs. Daher & Olin

11:15  Laboratory Exercise
       Tooth modifications on typodont
       Drs. Daher & Olin

12:30  Luncheon
       Patient discussion
       Drs. Daher & Olin

1:15   Lecture: Direct Retainers – Part II
       Dr. Daher

3:00   Refreshment break

3:15   Laboratory Exercise
       Cast design – Case #1, Case #2
       Dr. Daher & Dr. Olin

5:15   Adjourn

Sunday, September 23, 2018

7:30   Continental breakfast

8:00   Lecture: Advanced RPD Concepts: Rotational Path, Twin Flex, Crowns under RPD
       Dr. Daher

9:30   Refreshment break

9:45   Lecture: Interim, Rebasing, Repairing, Interim and Alternative RPDs, Esthetic RPDs
       Dr. Daher

11:15  Laboratory Exercise
       Cast design #3 - distal extension (use of releasing claps and esthetic concepts)
       Drs. Daher & Olin

12:15  Luncheon
       Patient discussion
       Drs. Daher & Olin

1:00   Laboratory Exercise
       Cast for deep bite #4
       Cast #5
       Drs. Daher & Olin

2:30   Refreshment break
Contemporary Removable Partial Dentures: A Lecture & Hands-on Program
September 21-23, 2018
Program, Page 3

2:45  Lecture: Impressions, Casts and Mountings                      Dr. Daher

3:45  Lecture: Framework try in and delivery                          Dr. Daher

4:45  Question & answer session
     Course wrap-up                                                  Drs. Daher & Olin

5:15  Adjourn

Meet the Experts

Tony Daher, DDS, MSEd, FACP, Diplomate, American Board of Prosthodontics. Dr. Daher served as the Clinic Director for the International Student Program at USC and the Director of the Advanced Prosthodontic Program at Loma Linda University. He has written many scientific and clinical articles as well as book chapters about prosthodontics. Dr. Daher maintains a private practice limited to prosthodontics and implant dentistry in LaVerne, California.

Paul S. Olin, DDS, MS, Associate Professor, Division of Prosthodontics; Interim Chair, Department of Restorative Sciences; Director, Dental Implant Program; University of Minnesota School of Dentistry. Dr. Olin maintains an active prosthodontic and esthetic dentistry practice in the faculty practice at the School of Dentistry. Dr. Olin is the Director of Postgraduate Programs in Contemporary Restorative & Esthetic Dentistry Levels I-III at the University of Minnesota School of Dentistry.

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution.

Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/CCERP.
