Meet Our Experts

**Laurence Gaalaas**, DDS, MS, is a Clinical Assistant Professor with the University of Minnesota School of Dentistry. Dr. Gaalaas received his dental degree from the University of Minnesota in 2012 and completed specialty training and a Master of Science degree in oral and maxillofacial radiology from the University of North Carolina at Chapel Hill in 2015. As a researcher and inventor, his experience includes advanced graphical analysis of images derived from dental imaging modalities, caries detection and diagnosis, contrast performance evaluation of clinical x-ray imaging systems and development of novel imaging techniques specific to dentistry such as low dose 3D intraoral radiography and dental MRI.

**Bryan Laskin**, DDS, graduated from the University of Wisconsin-Madison and the University of Minnesota School of Dentistry. He leads a care team at Lake Minnetonka Dental. Dr. Laskin is the founder of Operability, a cloud-based communications company focused on the healthcare industry. He is also the Co-Founder of Talentship—a firm focusing on human capital, skills inventories, team management and company evolution. Dr. Laskin is an active member of the American Dental Association, Minnesota Dental Association, Minneapolis District Dental Society and several continuing education organizations. He is the host of The Operatory Podcast with Bryan Laskin.

**Richard D. Nadeau**, DDS, MPH, Director, Division of Comprehensive Care; Clinical Professor, Department of Primary Dental Care; Director, Clinical Treatment Planning, University of Minnesota School of Dentistry. Dr. Nadeau also served as the Director of the Emergency Clinic at the School of Dentistry from 1994 to 2001. He was in private practice in Minneapolis, Minnesota until joining the School of Dentistry faculty in 1993.

**Donna Stenberg**, DDS, attended the University of Minnesota Dental School where she completed her dental degree. She is a highly educated orthodontist with both a certificate in orthodontics and a master’s degree. She is a Diplomate of the American Board of Orthodontics, an elected Fellow of the American College of Dentists and an active consultant with St. Paul Children’s Hospital cleft palate team. Dr. Stenberg provides care at Minnesota Orthodontics. She is an avid learner and teacher, and has collaborated with the ADA Council on Dental Education and Licensure.

**Melissa Zettler**, DDS, graduated from the University of Minnesota Dental School and completed her residency at the Minneapolis Veteran’s Affairs Health Care System. She practices at Cherrywood Dental Care in Savage, Minnesota. Dr. Zettler is an avid learner and widely sought-after presenter. She has fellowships with the Academy of General Dentistry, American College of Dentists, and the International Congress of Oral Implantologists.

Program, Page 2

The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
