Meet the Experts

This course is directed by Drs. Ranier Adarve, Heather Conrad and Lisa James.

Ranier M. Adarve, DMD, MS, MHPE, prosthodontist; Associate Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota School of Dentistry. Dr. Adarve maintains a part-time private practice in Apple Valley, Minnesota.

Heather J. Conrad, DMD, MS, prosthodontist; Associate Professor and Director, Advanced Education Program in Prosthodontics, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota School of Dentistry. Dr. Conrad maintains a practice in the School of Dentistry Faculty Practice. She is a Fellow of the American College of Prosthodontists and a Fellow of the Royal College of Dentists of Canada.

Lisa A. James, DDS, prosthodontist; Clinical Associate Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota School of Dentistry. Dr. James maintains a private practice in Plymouth, Minnesota.

Luis Delima, DDS; Clinical Assistant Professor, Division of Prosthodontics, Department of Restorative Sciences, University of Minnesota School of Dentistry. Dr. Delima obtained a certificate from the Oral Health Services for Older Adults Program (2006-2009) and Prosthodontics (2009-2012) at the University of Minnesota School of Dentistry. He began his career in academics joining the Division of Prosthodontics as an Adjunct Faculty in 2012 and became Assistant Professor in January 2013. His contributions to charity include volunteering in Operation Smile, Grupo Kumi, Special Olympics, Give Kids a Smile and Minnesota Mission of Mercy. He is the director of the Occlusion course for the D2 students.

Deborah K. Johnson, DDS, Certificate, Periodontology; Clinical Associate Professor, Division of Periodontology, Department of Developmental and Surgical Sciences, University of Minnesota School of Dentistry; Diplomate, American Board of Periodontology; Fellow, Academy of General Dentistry. Dr. Johnson maintains a part-time practice in the School of Dentistry Faculty Practice.
The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
