SPEAKER

Alan S. Law, D.D.S., Ph.D., maintains a full-time private practice limited to endodontics and is President of The Dental Specialists, a multi-specialty practice group in the Twin Cities metropolitan area; Adjunct Associate Professor, Division of Endodontics, University of Minnesota. Dr. Law is Past President of the American Board of Endodontology, Past President of the Minnesota Association of Endodontists, and Past Director of the American Association of Endodontists. He has lectured nationally and internationally on a variety of endodontic topics and has published numerous articles on basic science and clinical research. Dr. Law is co-author of two chapters in the popular endodontontology textbook, Cohen’s Pathways of the Pulp and is a Fellow of both the American College of Dentists and the International College of Dentists.
