Meet Our Presenters

This course is led by Shannon Pace Brinker and the training team from Contemporary Product Solutions.

Shannon Pace Brinker is an international speaker and published author. She has been a practicing dental assistant for over 25 years and works with Dr. Robert Korman in Virginia Beach, Virginia. Ms. Pace Brinker has taught over 2,000 classes on dental care techniques to over 60,000 dental providers over the last six years alone. She has taught both lectures and hands-on programs at the Nash Institute, Dawson Academy, and Spear Education. Ms. Pace Brinker has written over 300 articles related to clinical application and has a current column in Dental Product Reports for the team evaluation of dental products and materials. Ms. Pace Brinker was awarded the Rising Star Award from the AACD, has been recognized for the last few years as one of Dentistry Today's Top 100 Clinicians and as Dental Products Report's 25 most influential women in dentistry.
The University of Minnesota School of Dentistry has an obligation to disseminate new knowledge related to dental practice. Some programs offered through Continuing Dental Education may introduce materials, techniques or product references that are subject to debate. Sponsorship of courses by the University of Minnesota School of Dentistry does not necessarily imply endorsement of specific philosophies, procedures or products by this institution. Recognizing that you may be learning about new procedures, techniques and materials that you may not yet be familiar with, we ask that you take every precaution when implementing these new materials and techniques into your practice.

The University of Minnesota School of Dentistry is an ADA CERP Recognized Provider.

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
