

REQUEST FOR PROPOSALS 2021 Technology Enhanced Awards for Teaching and Learning (TEATL)

Submission Deadline: January 11, 2021

The School of Dentistry is making funds available (Grand total of \$5,000 will be allocated for FY2021) to the School of Dentistry Full-Time faculty members awards to support the acquisition of new technologies that can be used to enhance the teaching and learning environments of the institution. These awards will be made annually and will be based on a competitive review of proposals submitted by a faculty peer evaluation panel.

Proposals should be prepared using the attached application form. Please make sure that all information requested within the application form is provided.

Evaluation guidelines/ selection criteria that will be used in reviewing applications will include:

1. Significance of the project's potential contribution to the teaching and learning environment of the School of Dentistry.
2. Feasibility of project timetable and likelihood of near-term contribution to student learning.
3. Potential for long-term impact.
4. Quality of the project's evaluation plan.
5. Evidence of the project connection to the program/division/department overall goals and objectives as related to teaching and students learning.
6. Appropriateness and adequacy of the proposed budget.

Proposals are due by January 11, 2021. The faculty review panel will determine the awards by end of January 2021. Funds will be awarded shortly thereafter.

If you have any questions regarding this award program, please feel free to contact:
